

7 Ways FACTS Simplifies School Payments for Families

Choosing the right financial tool for your school isn't just about efficiency; it's about creating the the best family experience. FACTS Tuition Management makes payments simple and stress-free. Here's how.

Easy Access to Reports

Families can instantly pull detailed payment statements and reports for tax purposes—no school involvement needed! Categorize transactions like sports fees and aftercare with ease.

Flexible Bank Account Options

Manage multiple bank accounts so payments can come from different sources. Perfect for shared family finances!

Stress-Free Delinquency Follow-Up

No-cost delinquency management means no hidden fees for families. We handle follow-ups at no extra charge.

Set It and Forget It: Autopay

Autopay for incidentals like field trips and sports fees ensures peace of mind for busy parents.

Never Miss a Payment

Helpful payment reminders - via text, not just email - keep families on track without the hassle.

Unmatched Support

Get dedicated phone and chat support from FACTS experts; we never outsource. Plus, support is available in Spanish.

Mobile-Friendly for Modern Families

Manage payments anytime, anywhere with a mobile-friendly interface built for today's families.

Making school payments shouldn't feel like homework.
