

Empowering Early Childhood Educators Through Coaching

FACTS provides strengths-based coaching aligned with nationally recognized frameworks, including the Head Start Program Performance Standards, the Early Learning Outcomes Framework, and the Pyramid Model. These foundations help your team improve classroom quality, child outcomes, and family engagement.

Social & Emotional Learning (SEL)

Build responsive classrooms where children develop empathy, self-regulation, and positive peer relationships.

Strategies & Skills:

- Emotion labeling and co-regulation techniques
- Incorporating feelings charts and calm-down tools
- Building classroom routines that support predictability and trust
- Creating opportunities for peer collaboration and empathy-building

Family Communication & Engagement

Strengthen connections with families using culturally responsive strategies and shared goal-setting.

Strategies & Skills:

- Using strength-based language during family interactions
- Co-creating learning goals with families
- Conducting effective parent-teacher conferences
- Developing systems for two-way communication

Positive Behavior Guidance

Coach-supported strategies to prevent and respond to challenging behaviors with consistency and care.

Strategies & Skills:

- Teaching expectations through visuals, songs, and modeling
- Using behavior incident data to reflect and adjust practices
- Responding to challenging behaviors with empathy and consistency
- Implementing classroom-wide systems for reinforcement and routines

Early Language & Literacy

Support early communication and literacy through conversation, storytelling, and rich vocabulary experiences.

Strategies & Skills:

- Dialogic reading and shared storytelling techniques
- Expanding children's vocabulary through conversations and play
- Using environmental print and labels to support print awareness
- Supporting dual language learners with visual cues and home language integration

Inclusive Practices & Individualization

Create inclusive classrooms with tools to support diverse learners, including those with disabilities or developmental delays.

Strategies & Skills:

- Adapting activities for different learning styles and abilities
- Collaborating with specialists to implement IEP/IFSP goals
- Embedding sensory supports and visual schedules
- Promoting peer support and inclusive groupings

Our Coaching Approach

Our approach is rooted in trust, growth, and practical tools that work in real classrooms

Goal-Oriented	Coaches and educators co-create clear, realistic goals
Relationship-Based	We build trust and celebrate strengths
Model Practiced	See strategies in action through side-by-side modeling
Data-Driven Feedback	Reflections grounded in real data and observations
Supportive Environment	Coaches foster a space of growth, encouragement, and reflection
