

7 Ways FACTS Simplifies School Payments for Families

Choosing the right financial tool for your school isn't just about efficiency; it's about creating the best family experience. FACTS Tuition Management makes payments simple and stress-free. Here's how.

Customisable Payment Plans

Schools can offer personalised payment schedules, enabling families to spread tuition costs over time and reduce financial strain

Transparent Communication

Families receive timely alerts before payments are due, ensuring they stay informed and reducing missed payments

Easy Access to Reports

Families can instantly pull detailed payment statements and reports for tax purposes—no school involvement needed! Categorise transactions like sports fees with ease

Set It and Forget It: Autopay

Autopay for incidentals like field trips and sports fees ensures peace of mind for busy parents

Flexible Bank Account Options

Families can conveniently make payments, update financial accounts, and manage tuition anytime through their secure portal—no need to call the school.

Dedicated Support

FACTS provides personalised support, with a dedicated team available to assist families with any questions or issues related to their tuition payments.

Mobile-Friendly for Modern Families

Manage payments anytime, anywhere with a mobile-friendly interface built for today's families.
